Focusing on a short-term capital investment for a long-term wealth growth

Focusing on a short-term capital investment for a long-term wealth growth, the fund invests primary in result markets throughout ATP and WTA tennis tournaments.

After many years of betting and looking for a reliable and stable method, which allows to obtain a high and constant profitability for any investor's money, the Sherpa team developed a reliable prediction system, combining statistical, mathematical and news knowledge, as well as an extensive study of both ATP and WTA tennis. Over the process the Sherpa team has developed its own understanding of tennis and of its environment. The value the sherpa analysts place on each tennis player and the fundamental role that numbers and mathematics play in this sport has been key to establish a winning methodology.

Through our Telegram and Instagram channels, you will be able to see all forecast that the Sherpa Team have selected well in advance, so that any investor can place the bet in time.

At the end of each month the Sherpa Team will post a Factsheet that contains the summary of all the bets that have been posted during the month. Any investor will be able to check the statistics for themselves at any time.
